SECTION 12: PROCEDURE OF SELECTION:

12.1 The selection of candidates for appointment to the posts will be made by examination (Objective Type) by CBRT / OMR based and the selection for the posts will be based on marks secured in the examination.

12.2 The qualifying marks for selection of the candidates belonging to - OC, Sportspersons & EWS – not less than 40%, BCs - not less than 35% and SCs, STs & PHs– not less than 30%.
N.B.: Mere securing minimum qualifying marks does not vest any right in a candidate for being considered for selection.

12.3 The candidates will be selected and allotted to the post as per their merit and order of Preference **(web-option exercised by the candidate)** against the vacancies available.

12.4 In the event of SC and ST candidates not coming up for selection with the minimum marks prescribed above for selection, their selection shall be considered on the basis of marks with reference to their performance in the examination irrespective of the marks secured.

12.5 The appearance in all the paper/papers at the Examination is compulsory. Absence in any of the paper/papers will automatically render his/her candidature for disqualification.

12.6 If the total marks of two or more than two candidates are equal, then the local status of the candidates is considered for ranking i.e candidates local to Telangana are given first positions, then other than Telangana candidates are given the next positions. If the total marks and local status of the two or more than two candidates are equal, then date of birth of the candidates is taken for ranking i.e the elder candidate is given higher rank. If total marks, local status and date of birth of two or more than two candidates are equal, then the ranks are awarded based on the marks obtained by the candidates in subject paper(s) i.e other than General studies paper. If then also two or more candidates are equal in all aspects, the date of passing of the required qualifying examination will be taken into account for consideration for ranking. If then also two or more candidates are equal in all aspects as indicated above, the percentage of marks in the required qualifying examination will be taken for awarding the rank i.e., the candidate having higher percentage in the required qualifying examination is given prior rank. If then also two or more candidates are equal in all aspects, their higher qualification will be taken into account. If then also two or more candidates are equal in all aspects, the date of passing of the higher qualification will be taken into account for consideration for ranking and even if the ranking is same, the percentage of marks in higher qualification will be taken as criteria for awarding the rank. Commission's decision will be final in all other exceptional cases other than the cases mentioned above.

12.7 The Commission reserves its right to verify original documents, submitted by any applicant for OTR / Online application, at any time.

12.8 The appointment of selected candidates will be subject to their being found medically fit in the appropriate Medical Examination, provided he/she is of sound health, active habits free from any bodily defect or infirmity, satisfactory character and conduct.

12.9 The applicant should be willing to serve anywhere in Telangana State.

ANNEXURE-VII

The criteria of Normalization

The Telangana Public Service Commission (TGPSC) has been using Computer Based Recruitment Test (CBRT) for various recruitments from 2017 onwards. The CBRT involves the Normalization of the Scores of candidates for the Examinations which are conducted in Multi-sessions. Further, the process of normalization as adopted by major leading organizations at National and State level in the conduct of Recruitment Examinations and Entrance Examinations is also adopted by the Commission.

The Commission has adopted the following formula to calculate final score of candidates in the multi-session CBRT Examinations as recommended by the Experts' Committee constituted by the Commission.

NORMALIZATION FORMULA

$$\widehat{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{ti} - M_{iq}} \left(M_{ij} - M_{iq}\right) + M_q^{gm}$$

Where:

$\widehat{M}_{ij}$ = Normalized marks of j^{th} candidate in the i^{th} shift.

$\bar{M}_t^g$ = is the average marks of the top 0.1% of the candidates considering all shifts (number of candidates will be rounded-up).

M_q^g = is the sum of mean and standard deviation marks of the candidates in the examination considering all shifts.

$\bar{M}_{ti}$ = is the average marks of the top 0.1% of the candidates in the i^{th} shift (number of candidates will be rounded-up).

M_{iq} = is the sum of mean marks and standard deviation of the i^{th} shift.

M_{ij} = is the actual marks obtained by the j^{th} candidate in i^{th} shift.

M_q^{gm} = is the sum of mean marks of candidates in the shift having maximum mean and standard deviation of marks of candidates in the examination considering all shifts.

N.B. 1. Calculation of normalized marks will be done up to 5 decimal places.

2. Normalized marks of the candidate may vary from the original/absolute marks obtained.

3. Normalized marks of the candidate only shall be taken for General Ranking List (GRL) preparation.
